Description :

PDF-2a07e | 1812: The Great Retreat tells the story of the end of the most famously disastrous campaign in history, using the words of the survivors to describe their desperate withdrawal from Russia. Napoleon's campaign had begun with more than a third of a million men setting out on what was to be a long and terrible march to the glittering city of Moscow. Only 100,000 were to reach it. Forced to turn back ... *1812 The Great Retreat: Told by the Survivors*
