Description :

PDF-6d636 | This first-person narrative about an archaeological discovery is rewriting the story of human evolution. A story of defiance and determination by a controversial scientist, this is Lee Berger's own take on finding Homo naledi, an all-new species on the human family tree and one of the greatest discoveries of the 21st century. In 2013, Berger, a National Geographic Explorer-in-Residence, caught win... *Almost Human: The Astonishing Tale of Homo naledi and the Discovery That Changed Our Human Story*
