Description :

PDF-3c9b9 | From 1348 to 1350 Europe was devastated by an epidemic that left between a third and one half of the population dead. This source book traces, through contemporary writings, the calamitous impact of the Black Death in Europe, with a particular emphasis on its spread across England from 1348 to 1349.

Rosemary Horrox surveys contemporary attempts to explain the plague. The almost universal belief th... *The Black Death* (Manchester Medieval Sources MUP)
