Description :

PDF-0082a | The theme of this extraordinary book is the evolution of the modern conception of family life and the modern image; of the nature of children. Aries traces the evolution of the concept of childhood from the end of the Middle Ages, when the child was regarded as a small adult, to the present child-centered society, by means of diaries, paintings, games, and school curricula. Ironically, he finds... *Centuries of Childhood: A Social History of Family Life*
