Description :

PDF-b57a4 | Exercise your brain while you uncover some pithy food for thought. Cryptograms are substitution codes--every letter in the code has been replaced by some other letter; you try to find which letters stand for which others. Every cryptogram has a different substitution system. Some hints: Start with the shortest words. Break down long words into prefixes or suffixes. Look for word containing an apos... *Cryptograms to Keep You Sharp*
