Description :

PDF-a19a7 | The Danube is the longest river in western and central Europe. Rising amidst the beautiful wooded hills of Germany's Black Forest, it touches or winds its way through ten countries and four capital cities before emptying into the Black Sea through a vast delta whose silt-filled channels spread across eastern Romania. From earliest times, the river has provided a route from Europe to Asia that was ... *The Danube: A Cultural History (Landscapes of the Imagination)*
