Description :

PDF-43767 | The British Empire was the largest in all history: the nearest thing to world domination ever achieved. By the eve of World War II, around a quarter of the world's land surface was under some form of British rule. Yet for today's generation, the British Empire seems a Victorian irrelevance. The time is ripe for a reappraisal, and in *Empire*, Niall Ferguson boldly recasts the British Empire as one o... *Empire: The Rise and Demise of the British World Order and the Lessons for Global Power*
