Description :

PDF-853de | The new sixth edition of the leading text in contemporary European history is now thoroughly revised with up-to-date scholarship. Its coverage of southern and eastern Europe is expanded, as is its coverage of social history?especially women's history. It charts the theme of globalization starting with the 1890s and moving through to post-9/11. This new edition also examines how twenty-first-ce... *The End of the European Era: 1890 to the Present (Sixth Edition) (The Norton History of Modern Europe)*
