Description :

PDF-36e36 | On July 20, 1917, Russia became the world's first major power to grant women the right to vote and hold public office. Yet in the wake of the October Revolution later that year, the foundational organizations and individuals who pioneered the suffragist cause were all but erased from Russian history. The women's movement, when mentioned at all, is portrayed as meaningless to proletariat and pe... *Equality and Revolution: Women's Rights in the Russian Empire, 1905–1917 (Russian and East European Studies)*
