Description :

PDF-f2059 | This classic account shows how the fall of Constantinople in May 1453, after a siege of several weeks, came as a bitter shock to Western Christendom. The city's plight had been neglected, and negligible help was sent in this crisis. To the Turks, victory not only brought a new imperial capital, but guaranteed that their empire would last. To the Greeks, the conquest meant the end of the civilisati... *The Fall of Constantinople 1453 (Canto Classics)*
