Description :

PDF-0c536 | The Soviet T-35A is the only five-turreted tank in history to enter production. With a long and proud service history on Soviet parade grounds, the T-35A was forced to adapt to the modern battlefield when the Second World War broke out. Outclassed and outdated, the T-35A tried to hold its own against the German invaders to no avail. Very little is known about these strange vehicles, beyond their b... *Fallen Giants: The Combat Debut of the T-35A Tank*
