Description :

PDF-8b29a | By integrating the human dimension into Russian history, this lively textbook introduces Russian social history since 1861 to readers in provocative and interesting new ways. The essays in this unique collection are based largely on previously classified Russian archival information available only since 1991. Bringing in the perspectives of individuals and groups usually overlooked, the authors gi... *The Human Tradition in Modern Russia (The Human Tradition around the World series)*
