Introduction to Manufacturing Processes PDF

by John A. Schey : **Introduction to Manufacturing Processes**

ISBN : #0070311366 | Date : 1999-07-27

Description :

PDF-3f72d | This revision aims to address changes that have taken effect since the publication of the second edition. The most significant change has been in the attitude of industry to concurrent engineering. In 1987, mostly lip service was paid to it; today, it has become general practice in most competitive corporations. In the second edition , the author discussed this as the manufacturing system. In the ... *Introduction to Manufacturing Processes*
