ISBN : #0679753354 | Date : 1994-03-29

Description :

PDF-f953f | With vast erudition, Foucault cuts across disciplines and reaches back into seventeenth century to show how classical systems of knowledge, which linked all of nature within a great chain of being and analogies between the stars in the heavens and the features in a human face, gave way to the modern sciences of biology, philology, and political economy. The result is nothing less than an archaeolo... *The Order of Things: An Archaeology of the Human Sciences*
