Description :

PDF-97038 | The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators includ... *Palestine Speaks: Narratives of Life Under Occupation (Voice of Witness)*
