Description :

PDF-d20cd | Power and Water in the Middle East provides a powerful new perspective on the Palestinian-Israeli water conflict. Adopting a new approach to understanding water conflict - hydro-hegemony - the author shows the conflict to be much more deeply entrenched than previously thought and reveals how existing tactics to control water are leading away from peace and towards continued domination and a squand... *Power and Water in the Middle East: The Hidden Politics of the Palestinian-Israeli Water Conflict (Library of Modern Middle East Studies)*
