Description :

PDF-6887b | In 1936, the British monarchy faced the greatest threats to its survival in the modern era—the crisis of abdication and the menace of Nazism. The fate of the country rested in the hands of George V's sorely unequipped sons:•a stammering King George VI, terrified that the world might discover he was unfit to rule•a dull-witted Prince Henry, who wanted only a quiet life in the army•the too-g... *Princes at War: The Bitter Battle Inside Britain's Royal Family in the Darkest Days of WWII*
