Description :

PDF-7d01c | With the Russian annexation of Crimea in 2014, hybrid war became a buzzword within political and academic circles. This study examines hybrid warfare applications using contemporary and historical examples. The analysis seeks to determine why a country was or was not successful in its execution of hybrid war, and it assesses the geopolitical context of cost, benefit, and risk for an aggressor stat... *Russia and Hybrid Warfare: Identifying Critical Elements in Successful Applications of Hybrid Tactics - Putin's Crimea Annexation, Ukraine, 1923 German Revolution, Germany's Austria Annexation*
