Description :

PDF-9c3c7 | Modern Russian identity and historical experience has been largely shaped by Russia's imperial past: an empire that was founded in the early modern era and endures in large part today. The Russian Empire 1450-1801 surveys how the areas that made up the empire were conquered and how they were governed. It considers the Russian empire a 'Eurasian empire', characterized by a 'politics of difference'.... *The Russian Empire 1450-1801 (Oxford History of Early Modern Europe)*
