Description :

PDF-125e0 | This is the first account of Russia's second revolution - the country's dramatic, wrenching transition from communist central planning to a market economy. Written by one of the finest writers on contemporary Russia, it is told by interweaving high politics with glimpses of the revolution's impact on the lives of ordinary people. Beginning with a sharp portrayal of the dismal living conditions in t... *Sale of the Century: The Inside Story of the Second Russian Revolution*
