Description :

PDF-71f69 | In September 1922, the richest city of the Mediterranean was burned, and countless numbers of Christian refugees killed. The city was Smyrna, and the event was the final episode of the 20th Century's first genocide — the slaughter of three million Armenians, Greeks and Assyrians of the Ottoman Empire. The slaughter at Smyrna occurred as warships of the great powers stood by — the United State... *Smyrna, September 1922: The American Mission to Rescue Victims of the 20th Century's First Genocide*
