Description :

PDF-4a741 | State and Society in Spanish America during the Age of Revolution calls into question the orthodox split of Latin American history into colonial and modern, arguing that this split obscures significant economic, social, and even political continuities from 1780 to 1850. In addition, the book argues that the colonial-modern division makes it difficult to appraise historical changes in a comprehensi... *State and Society in Spanish America during the Age of Revolution (Latin American Silhouettes)*
