Description :

PDF-9e31c | I THINK THAT, looking back, men will call it "the Stalin Era." Tens of millions of people built the world's first socialist state, but he was the engineer. He first gave voice to the thought that the peasant land of Russia could do it. From that time on, his mark was on all of it, on all the gains and all the evils. It is too soon to sum up the era, and yet one must try to. For controversy has... *The Stalin Era*
