Description :

PDF-01618 | Syria's descent into chaos since 2011 has claimed hundreds of thousands of lives, while more than nine million people have fled their homes. In this timely account, John McHugo charts the history of Syria from the First World War to the present and considers why Syria's foundations as a nation have proved so fragile. He examines the country's thwarted attempts at independence under French rule bef... *Syria: A Recent History*
