Description :

PDF-60a33 | Only in 1995 did the United States government officially reveal the existence of the super-secret Venona Project. For nearly fifty years American intelligence agents had been decoding thousands of Soviet messages, uncovering an enormous range of espionage activities carried out against the United States during World War II by its own allies. So sensitive was the project in its early years that eve... *Venona: Decoding Soviet Espionage in America (Yale Nota Bene)*
