Description :

PDF-7c876 | Game of Thrones is a phenomenon. As Carolynne Larrington reveals in this essential companion to George R R Martin's fantasy novels and the HBO mega-hit series based on them the show is the epitome of water-cooler TV. It is the subject of intense debate in national newspapers and by bloggers and cultural commentators contesting the series' startling portrayals of power, sex and gender. Yet no bo... *Winter is Coming: The Medieval World of Game of Thrones*
